

Amadeus (GDS)

Global Distribution System

Learn how to use a travel industry reservation system

\$550.00

This is your chance to attain **Amadeus Certification** on the latest Agent Connect platform using a live training environment under the close guidance of a fully accredited specialist trainer who is proficient using the system. Learn how to make airline bookings to anywhere in the world using Amadeus just like airlines, travel agents and travel suppliers. There is also an option to extend access to the GDS system at the end of the course at an additional low cost, so you can practice, practice, practice! Combine Amadeus Certification with IATA International Airfares and receive a reduced course fee. *Prices on application.*

This course is 100% online, flexible and accredited with Amadeus. Start anytime,

Travel Training Australia
