

Group Travel Specialist

Practical online training for Travel Advisors

\$499.00

Group travel is an exciting specialist area of the travel industry, with its own opportunities, challenges and rewards.

Discover how to develop your group travel knowledge and open the door to a whole new area of business. This practical, 100% Online course takes you through the essentials of planning, costing, pricing, marketing, selling and managing group travel, including leisure, family, special-interest, destination weddings and corporate groups.

Put your knowledge into action as you cost and price groups, assess opportunities and make decision as you work through the steps of managing group travel. Along the way, you will also have quizzes and practical activities to reinforce your knowledge, with resources provided to support you both during and beyond the course.

100% ONLINE

Flexible Online Learning
